# SOLD'S hugely popular, 'Learning Beyond the Classroom' Conference is back and we want you join us! Why attend?

## Two exciting keynote speakers:

**DR JOHN ALLAN,** established academic and outdoor practitioner

Dr. John Allan will explain some of the 'Science' of Resilience, what it is, why it is more important than ever and how teaching and learning outdoors in nature, can play a significant role in developing happy, resilient learners with a positive Growth Mindset.

**JANE DOUGLASS,** Headteacher North Downs Primary

Jane will be sharing how the school has worked to embed a strong culture of Learning Beyond the Classroom. She explains the steps they took, the approaches they used, and the positive impact this has had on both pupils and staff.
